

tile grouts

Ideal for Ceramic, Porcelain and
Natural Stone Wall & Floor Tiles

BAL is the UK's leading brand of professional tiling grouts and adhesives. Offering an unrivalled range of products for all tiling applications. Whatever the requirement, there is a BAL solution that can be fully trusted for quality and lasting performance.

As grouts provide the visible finish in any tiling project, it is paramount that quality prevails.

The BAL grout range ensures the best possible tiling results for all joint sizes, tile types and substrates, with a choice of vibrant colour tones.

Throughout this grout swatch every care has been taken to ensure true colour representation though printing limitations can cause colour variation. The inclusion of **BAL ADMIX GT1** will enhance the colour of the grout.
