

Trust BAL to create a revolution in a sack

**60% more coverage
kilo for kilo, so you
can do more with less.
Available nationwide.**

Supercover Rapidset has extra coverage power compared to standard adhesives. It's lightweight and easier to use – yet bulging with bond strength for wall and floor tile fixing. And it's ready to grout in just 2 hours, indoors or out. It's just part of the BAL adhesive revolution.

NEW

supercover rapidset

High Yield Tile Adhesive

Now you can do MORE with LESS

Here's a revolutionary new tile adhesive for walls and floors. For most tile types and most backgrounds – indoors and out. With all the qualities you'd expect from BAL expertise.

But now, metre for metre, you'll be using LESS adhesive.

Up to 60% extra coverage

Kilogram for kilogram, you'll be able to fix many more tiles.

Easier to use

Less mixing, lighter to carry and better workability – just the job!

Start grouting – fast

Supercover Rapidset is ready for grouting just 2 hours after application.

Excellent bond strength

It's non-slip and lightweight – but its fixing power is as tough as it gets.

Excellent resistance to weather and water

Supercover Rapidset is frost resistant – and ideal for wet environments.

NEW 25-year guarantee

Now with a 25 year guarantee you can be sure it won't let you down.

Available in 15kg bags. Colour: grey EN classification: C1FT
